Source advised that HARRY FONTANA, BIG JOHN MISURACA, [REDACTED], VINCENT RANDAZZO, BENEDETTO D'ALESSANDRO, CHARLES MINEO, [REDACTED] and VINCENT MANGANO are all inactive in LCN circles.

Source stated that old LORENZO LAMPASI, SR. died several months ago. Also that [REDACTED] has been transferred to the GAMBINO crew. Source unaware of any specific illegal activities of THOMAS DI BELLA or his new address. JOHNNY BATH BEACH ODDO answers directly to the Boss, DI BELLA, and no longer has a crew other than [REDACTED]. The feeling is prevalent also that JOE COLOMBO made the biggest mistake of his life by creating the IACRL and taking on the FBI.

b6
 b7C

Informant reiterated that the balance of power rests with the PERSICO faction and that [REDACTED] is still calling the shots in the family.

b6

He stated further that [REDACTED] is very well thought of and respected not only by the COLOMBO members but by leading LCN figures throughout the country. [REDACTED] was on a first name basis with many of these out of town chiefs since he often accompanied [REDACTED] on trips. Source advised that [REDACTED] could conceivably make a good compromise boss in the future, particularly in view of his low profile, lack of arrest record, wealth and string of legitimate enterprises.
